

T1 2024 Streamlined Timetable **Diploma of Health Sciences (Burwood)**

To support students manage their competing commitments of work, study, family, and more, Deakin College has created “streamlined timetable” of **on-campus** classes.

What is a Streamlined Timetable?

This timetable will provide an opportunity for students to block their timetable in a way that they will only need to attend campus two (2)* days per week across the trimester. *Some units may require an occasional third or fourth day to complete practical classes. The streamlined timetable is packaged with the required core units, along with set electives, for each pathway.

How do I enrol into the Streamlined Timetable?

There are separate course plans explained below, which include specific core and packaged elective units for the relevant Bachelor pathway. Self-enrolment is done via the Axis Registration tool.

NOTE: Streamlined class availability is subject to space requirements.

So what units do I choose?

Students wishing to follow these streamlined program should follow the below course structure for their **chosen bachelors pathway**.

***Click on, or go to the outlined page, for your chosen Bachelor pathway.**

BACHELOR OF HEALTH SCIENCE	2
BACHELOR OF PSYCHOLOGICAL SCIENCE	2
BACHELOR OF PUBLIC HEALTH AND HEALTH PROMOTION	2
BACHELOR OF BIOMEDICAL SCIENCE	4
BACHELOR OF EXERCISE AND SPORT SCIENCE	7
BACHELOR OF NUTRITION SCIENCE.....	7
