Academic Progress

The Masters Qualifying Program academic progression rules are set out below.

Students who fail* to complete the requirements of the MQP in their 1st attempt will be permitted one further attempt in one additional teaching period to complete the MQP in the following instances:

- where a student has failed no more than 2 discipline-based units,

OR

- where a student has failed 1 discipline-based unit and 1 academic skills-based unit,

OR

- where a student has failed 1 academic skills-based unit.

**fail to achieve a minimum of 50 in each of the 2 discipline-based unit/s and a pass grade in each of the 2 academic skills-based units.*

Students seeking admission to the Master of Business Administration and the Master of Business Administration (Healthcare Management) must have successfully completed the Masters Qualifying Program, plus 2 years managerial or professional work experience.

Students seeking admission to the Master of Professional Accounting must have successfully completed the Masters Qualifying Program with a minimum overall average of 60 in the discipline-based units
