

## 2025 Streamlined Timetable Program Diploma of Business (Burwood)

### What is the Streamlined Timetable Program?

To support students manage their competing commitments of work, study, family, and more for 2025, Deakin College has created a “streamlined timetable” of **on-campus** classes.

This timetable will provide an opportunity for students to block their timetable in a way that they will only need to attend campus two (2) days per week across the trimester if studies are undertaken over a 12 month period. Students undertaking the Diploma of Business in fast track mode will need to attend campus at least four (4) days per week across the trimester.

For **Business** there are two (2) streamlined timetables – units labelled with class 10 and units labelled with class 12. Students in the program will study eight core units.

Completing the Diploma of Business over 12 months – students will need to attend campus 2 days per week across the first trimester undertaking the following fixed units:

<b>Trimester 1</b>	<b>MAA104</b> Financial Literacy <b>MAE120</b> Money, Growth and The Economy <b>MMK101</b> Marketing Fundamentals <b>DAI001</b> Academic Integrity and Respect at Deakin Module (online only) <b>LDM100</b> Language Development Module (where applicable for international students only)
--------------------	--

Completing the Diploma of Business over 8 months (Fast Track) – students will need to attend campus at least 4 days per week across the first trimester:

<b>Trimester 1</b>	<b>MAA104</b> Financial Literacy <b>MAE120</b> Money, Growth and The Economy <b>MMK101</b> Marketing Fundamentals <b>MMM267</b> Business Logistics <b>DAI001</b> Academic Integrity and Respect at Deakin Module (online only) <b>LDM100</b> Language Development Module (where applicable for international students only)

### **How do I enrol into the Streamlined Timetable?**

Every Diploma of Business student can self enrol into the Streamlined Timetable via the Axis Registration tool. There are a few important steps to follow to make sure you select the correct units during enrolment:

- 1) Look at the units listed for your current trimester (i.e. if you are just commencing at Deakin College, select First Trimester units)
- 2) Make sure you look for the specific class number for each unit (this will ensure you are selecting the correct day and time to create a streamlined timetable).

**NOTE:** Streamlined class availability is subject to space requirements and can only be taken if all the required streamlined classes are registered for any given trimester.
