T1 2025 Streamlined Timetable – Commencing Students
Diploma of Information Technology (Burwood)

To support students managing their competing commitments of work, study, family, and more, Deakin College has created "streamlined timetable" of **on-campus** classes.

What is a Streamlined Timetable?

This timetable will provide an opportunity for students to block their timetable in a way that they will <u>have fewer days on campus</u> across the trimester. The streamlined timetable is packaged with the required core units, along with set electives, for each pathway, to create a more organized on campus study experience.

How do I enrol into the Streamlined Timetable?

There are separate course plans explained below, which include specific core and packaged elective units for the relevant Bachelor pathway. Self-enrolment is done via the Axis Registration tool.

NOTE: Streamlined class availability is subject to space requirements.

So what units do I choose?

Students wishing to follow these streamlined program should follow the below course structure for their **chosen bachelor pathway.** Streamlined pathways are structured to include core units and set electives that align with specific majors and minor sequences.

*Click on, or go to the outlined page, for your chosen Bachelor pathway.

More Information?

If you'd like more information, please contact the Academic Coordinator for the Diploma of Information Technology, Will Taggart, via w.taggart@deakin.edu.au or phone on (+613) 9246 8025.

BACHELOR OF ARTIFICIAL INTELLIGENCE

If you are a student planning to transition into the **Bachelor of Artificial Intelligence** at Deakin University, please follow the streamlined structure outlined below. There are no major or minor sequences in the Bachelor of Artificial Intelligence; the streamlined timetable is offered with the electives *SIT120 Introduction to Responsive Web Apps* and *SIT190 Introduction to Functions, Relations and Graphs**. Please refer to the Course Outline for more information.

* Students who have not completed VCE Mathematical Methods 3 and 4 or equivalent must complete SIT190.

NOTE: please be sure you **look at the CLASS NUMBER** you should be selecting. Some units might have multiple classes running in a trimester, but only the specified class in the below tables will provide a streamlined timetable.

If this is your First Trimester.

BACHELOR OF ARTIFICIAL INTELLIGENCE First Trimester		
Time	**Thursday**	**Friday**
9 AM	**9 AM - 11 AM** SIT102 Introduction to Programming **Class:** Please choose class #12	**9 AM - 11 AM** SIT111 Computer Systems **Class:** Please choose class #12
9:30 AM		
10 AM		
10:30 AM		
11 AM		
11:30 AM		
12 PM		
12:30 PM		
1 PM	**1 PM – 3 PM** SIT111 Computer Systems **Class:** Please choose class #12	**1 PM – 3 PM** SIT102 Introduction to Programming **Class:** Please choose class #12
1:30 PM		
2 PM		
2:30 PM		
3 PM	**3 PM – 5 PM** SIT103 Database Fundamentals **Class:** Please choose class #12	**3 PM – 5 PM** SIT103 Database Fundamentals **Class:** Please choose class #12
3:30 PM		
4 PM		
4:30 PM		

*Note: all students will **also need to select** the zero-credit module **DAI001 Academic Integrity** (online module, no on-campus class)*

*Note: certain international students may also need to select the zero-credit module **LDM100 Language Development Module** (please select class #1). Follow the streamline timetable for either Bachelor of Information Technology or Bachelor of Computer Science for a compatible timetable*

BACHELOR OF COMPUTER SCIENCE

If you are a student planning to transition into the **Bachelor of Computer Science** at Deakin University, please follow the streamlined structure outlined below. Electives align with the *Data Science*, *Internet-of-Things*, *Robotics* and *Embedded Systems* major and minor sequences. Please refer to the Course Outline for more information.

*NOTE: please be sure you **look at the CLASS NUMBER** you should be selecting. Some units might have multiple classes running in a trimester, but only the specified class in the below tables will provide a streamlined timetable.*

If this is your <u>First</u> Trimester.

Time	Tuesday	Friday
BACHELOR OF COMPUTER SCIENCE **First Trimester**		
9 AM	**9 AM - 11 AM** **SIT102** Introduction to Programming **Class:** Please choose class #11	**9 AM - 11 AM** **SIT102** Introduction to Programming **Class:** Please choose class #11
