Quick Guide for International Students

VIETNAM, CAMBODIA, THAILAND
AND LAOS

Your pathway to Deakin University

Deakin College programs can provide an entry point into the first or second year of your bachelor's degree.

Deakin College Campuses

Located on Deakin Uni campuses

Study on a Deakin University campus where you will have full access to accommodation, support services and university facilities.

Supportive learning environment

You will have access to health services and free study support, as well as online resources to assist with study and writing skills, assignment preparation and examination techniques – all designed to help you transition smoothly to Deakin University degrees.

Fast-track options

Deakin College diploma courses offer a fast-track option, allowing you to complete a program in just eight months. This makes it possible to enter university much earlier than students studying in a conventional pathway program.

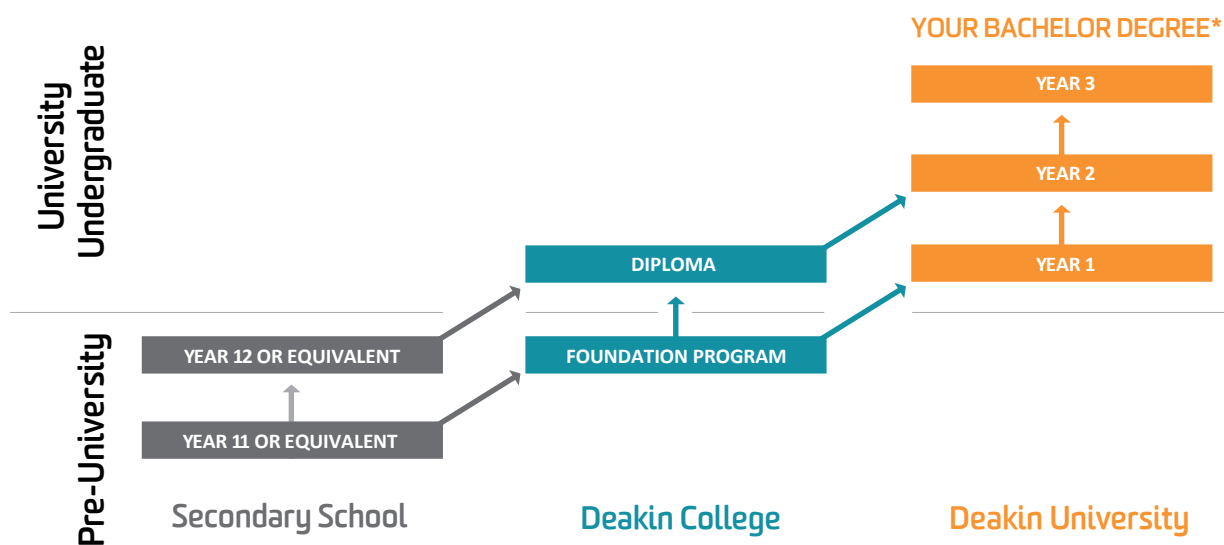

Small class and tutorial groups

Small class sizes are one of the benefits of studying at Deakin College. With a maximum of 30 students per class, complemented by small group tutorials and workshops, you will receive intensive academic contact and support.

University Undergraduate

Pre-University

*Entry to Deakin University is based on successful completion of a Deakin College diploma with a WAM of 50 (except the Bachelor of Laws which requires a WAM of 70). Some degrees, such as the undergraduate engineering courses or Bachelor of Laws will take longer than 3 years to complete.

Pathways to Bachelor's Degrees
